Comments on Statement of Reasons for Allowance

The statement of reasons for allowance dated July 8, 2004 indicates a general paraphrasing of language, and not necessarily the exact claim language. Furthermore, Applicant respectfully submits that while the specific features and relationships mentioned in the statement are not disclosed or suggested in the prior art, these are not the only recited features and relationships which are not found in the prior art. Also, it should be understood that the allowed subject matter is to only be limited by that subject matter which is specifically recited. Thus, any remarks in the statement which narrow the recited subject matter should be disregarded.

Respectfully submitted,
